Swiss Delivery, Fully Maintained by Ferrari, Color Grigio Scuro

Stunning Swiss-origin Ferrari F12 Berlinetta in a rare Grigio Scuro paint finish. The vehicle has been meticulously maintained with a full Ferrari service history; a major service was completed in November 2026, new tires were fitted in 2026 and technical inspection done in 2026. It is powered by a 6.3-liter V12 engine producing 736 horsepower and features an extensive list of options, including a Novitec exhaust system and headlights with the AFS (Adaptive Front-lighting System). Interior appointments include a Nero Alcantara headliner, Rosso Corsa brake calipers, and a carbon-fiber driving zone incorporating LED shift lights. Carbon fiber is also applied to the central tunnel, side skirts, dashboard trim, and wheel center caps. Additional equipment includes cruise control, an electrically adjustable steering column, gloss-black lower side-mirror housings, a heat-insulating windshield, and Scuderia Ferrari fender shields. The car is equipped with electrochromic
